AMJ 1981 FEATURE INDEX

AMJ is designed to help you — by digging up trade information and presenting it in a readable and retrievable form. If you haven't seen or kept the AMJ backnumbers with the information you need, why not order page photocopies at 25p each?

Send your list and cheque/PO to AMJ, Room 1104, Surrey House, Throwley Way, Sutton, Surrey SM1 4QQ.

AMJ postal subscriptions coupon is inside the back cover.

THIS feature list covers only the MAJOR ITEMS of 1981. Hundreds of shorter stories appeared in the regular news pages which cover trade background, trade news, US and Other World news, European and E Bloc news, Livestock and Machinery Comment, Workshop, Garden Equipment Sections and People in the Trade with new jobs.

AMJ LEADERS ARE THE BEST TRADE COMMENT

Page Three LEADERS

JAN — MLR down to 3% (Note MLR = the Machinery Lending Rate)
 FEB — What the dealer wants
 MAR — Back-door bargain imports can only stem from pricing policies
 APR — Dealers deserve a voluntary training plan
 MAY — Cannibal tribes thrive in this spare parts jungle
 JUN — Really Mrs Thatcher — are you 'Thinking of England'
 JUL — Halfway through the year and now the cutbacks must come
 AUG — Hey Mister — buy a BRITISH tractor!
 SEP — Can Manufacturers make money by selling direct
 OCT — Multi-national companies are surviving; but how?
 NOV — The world has a crying need for thousands more farm machinery salesmen to teach the developing peasant farmers how to grow food economically.
 DEC — And what's more, they don't seize up, rust out, or fall to pieces like they used to
